Day One ~ Astronauts on the Moon

Copywork
“This is one small step for a man, one giant leap for mankind.” Neil Armstrong

Word of the Day
orbit

Explore and Learn

1. Who Were the First People to Land on the Moon?
Read and complete activity #1.

2. Watch this video of the world watching the Apollo 11 Moon Mission.

3. You can tour the moon, too!
After you finish your moon walk, complete activity #2.

4. How many astronauts have walked on the moon?

5. When was the last time people visited the moon?
Read and complete activity #3.

6. Read about the moon and discover how much you would weigh there.
Day Two ~ Preparing for the Adventure

Copywork
“You’ve done it in the simulator so many times, you don’t have a real sense of being excited when the flight is going on. You’re excited before, but as soon as the liftoff occurs, you are busy doing what you have to do.” Alan Shepard

Word of the Day
mission

Explore and Learn

2. Watch this video showing the STS-131 crew training at the Kennedy Space Center.

3. Watch this video to learn why astronauts train underwater.

4. Read this Steps to Countdown book to learn about what must be done to prepare the shuttle.

4. Dress up an astronaut.

5. Play Addition Blast Off!
Day Three ~ Living in Space

Copywork
"I don’t know what you could say about a day in which you have seen four beautiful sunsets." John Glenn

Word of the Day
gravity

Explore and Learn

1. Learn how astronauts live on the International Space Station by watching the videos offered at this site. Complete activity #5 by recording information about the ISS in the mini book.

2. Check out this animated guide to the International Space Station! Be sure and click on the different parts to find out what they are.

3. Take this Quiz!
Complete activity #6.

4. Just for fun: complete this puzzle.
Day Four ~ Today and Tomorrow

Copywork
"Mars is there, waiting to be reached." Buzz Aldrin

Word of the Day
satellite

Explore and Learn

1. What are astronauts doing in space right now? Find out here!
Complete activity #7 by recording information about Expedition 23 in the mini-book.

2. Who is NASA and where are they going next? Type NASA into this dictionary to find out what the letters stand for.

Read all about the next adventure.

Complete activities #8 and #9.

3. Send your name to Mars!

4. Drive a rover across Mars.

5. Build your own space mission!
Word of the Day Mini Books
Cut on solid lines. Fold on dotted. Write a definition for the word of the day OR a sentence using the word of the day in each book.

<table>
<thead>
<tr>
<th>mission</th>
<th>satellite</th>
</tr>
</thead>
<tbody>
<tr>
<td>gravity</td>
<td>orbit</td>
</tr>
</tbody>
</table>
Activity #1

Who were the first people on the moon?

Mini-Book #1
Paste this side to your lapbook.

Activity #2

Write words to describe the moon inside the book.

Mini-Book #2. Paste this side to your lapbook.
**Activity #3**
Cut on solid lines. Fold on dotted lines.

| Mini-Book #3. Paste this side to your lapbook. | How many astronauts have walked on the moon? |
| When was the last time astronauts visited the moon? |
| How many years has it been? |
Activity #4
Cut on solid lines. Paste back to your lapbook or notebook.

Astronaut Training
Moms, this page is for younger students to help them with sentence writing for Activity #4.

pass a one-year course of basic training
become familiar with scuba diving
learn about space technology
learn the various parts of the ISS
lots of exercise; to stay healthy and fit
learn to speak Russian
parabolic flights--experience weightlessness
train as space pilots
parachute training
survival skills
Activity #5
Cut on solid. Fold on dotted. Record information about the ISS inside the book.

International Space Station

Mini-Book #5 Paste this side to your lapbook.
When some shuttle astronauts reach space, they feel ill. This is called...

<table>
<thead>
<tr>
<th>What do astronauts use to go to the bathroom in space?</th>
</tr>
</thead>
<tbody>
<tr>
<td>What do astronauts use to wash their hair in space?</td>
</tr>
<tr>
<td>What do astronauts sleep, what position do their unconstrained arms naturally take?</td>
</tr>
<tr>
<td>What food is not usually served in space?</td>
</tr>
<tr>
<td>How do astronauts warm their food?</td>
</tr>
</tbody>
</table>

Life in Space

Activity #6 Cut on solid. Fold on dotted.

Minibook #6 Paste this side to your lapbook.
Activity #7

Cut on solid lines. Fold on dotted.

Expedition 23

Mini-book #7

Paste this side to your lapbook
Activity #8
Cut on solid lines.
Fold on dotted like an accordion.

What does NASA stand for?

Where is NASA going?
<table>
<thead>
<tr>
<th><strong>New Vehicles</strong></th>
<th><strong>What are the names of the three new vehicles?</strong></th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td><strong>When will the new vehicles fly?</strong></td>
<td><strong>Which vehicle will be the new moon lander?</strong></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td><strong>How long will astronauts be able to live on the moon?</strong></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
<tr>
<td></td>
<td></td>
</tr>
</tbody>
</table>
The Moon

Robert Louis Stevenson

The moon has a face like the clock in the hall;
She shines on thieves on the garden wall,
On streets and fields and harbor quays,
And birdies asleep in the forks of the trees.
The squalling cat and the squeaking mouse,
The howling dog by the door of the house,
The bat that lies in bed at noon,
All love to be out by the light of the moon.
But all of the things that belong to the day
Cuddle to sleep to be out of her way.
Flowers and children close their eyes
Till up in the morning the sun shall rise.

Psalm 19:1

"The heavens declare the glory of God;
the skies proclaim the work of His hands."
