

What Lives in a Shell?

Preschool Lapbook

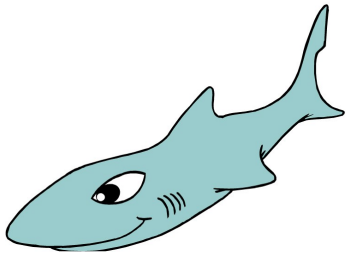

This lapbook goes with [What Lives in a Shell?](#)
by Kathleen Weidner Zoehfeld.

www.walkingbytheway.com

Please do not hotlink to this document.

Words Starting with sh

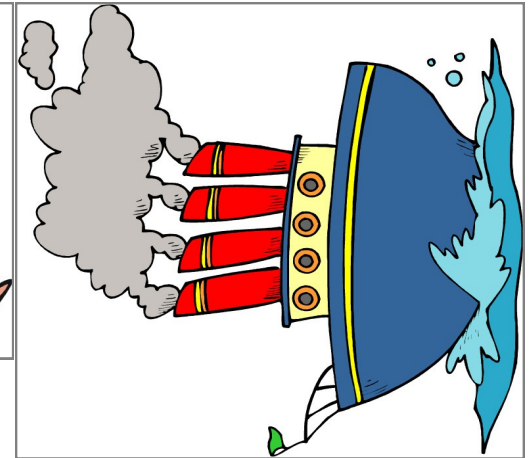

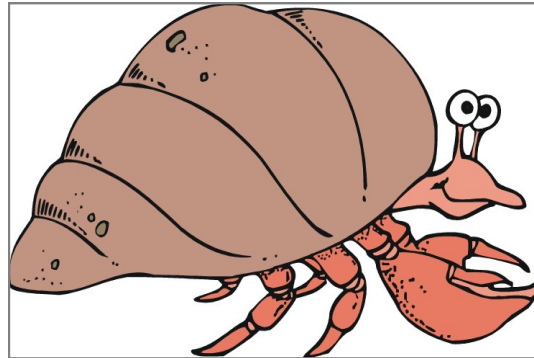

shell

ship

Cut on solid lines. Glue as indicated.
Fold like an accordion using the
dotted lines as your guide.

Paste appropriate picture to each
page.

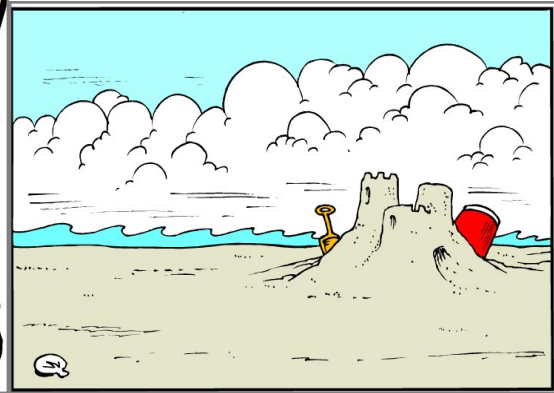

For more /sh/ phonics fun, let your
student [play at Starfall](#).

Glue to the back of the last strip.

shovel

shore

nautilus

Living
in Shells**

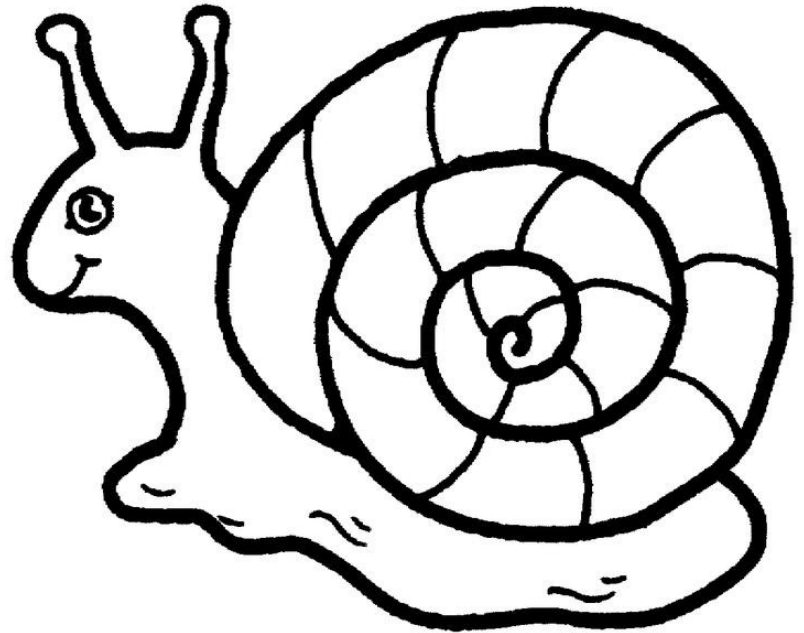

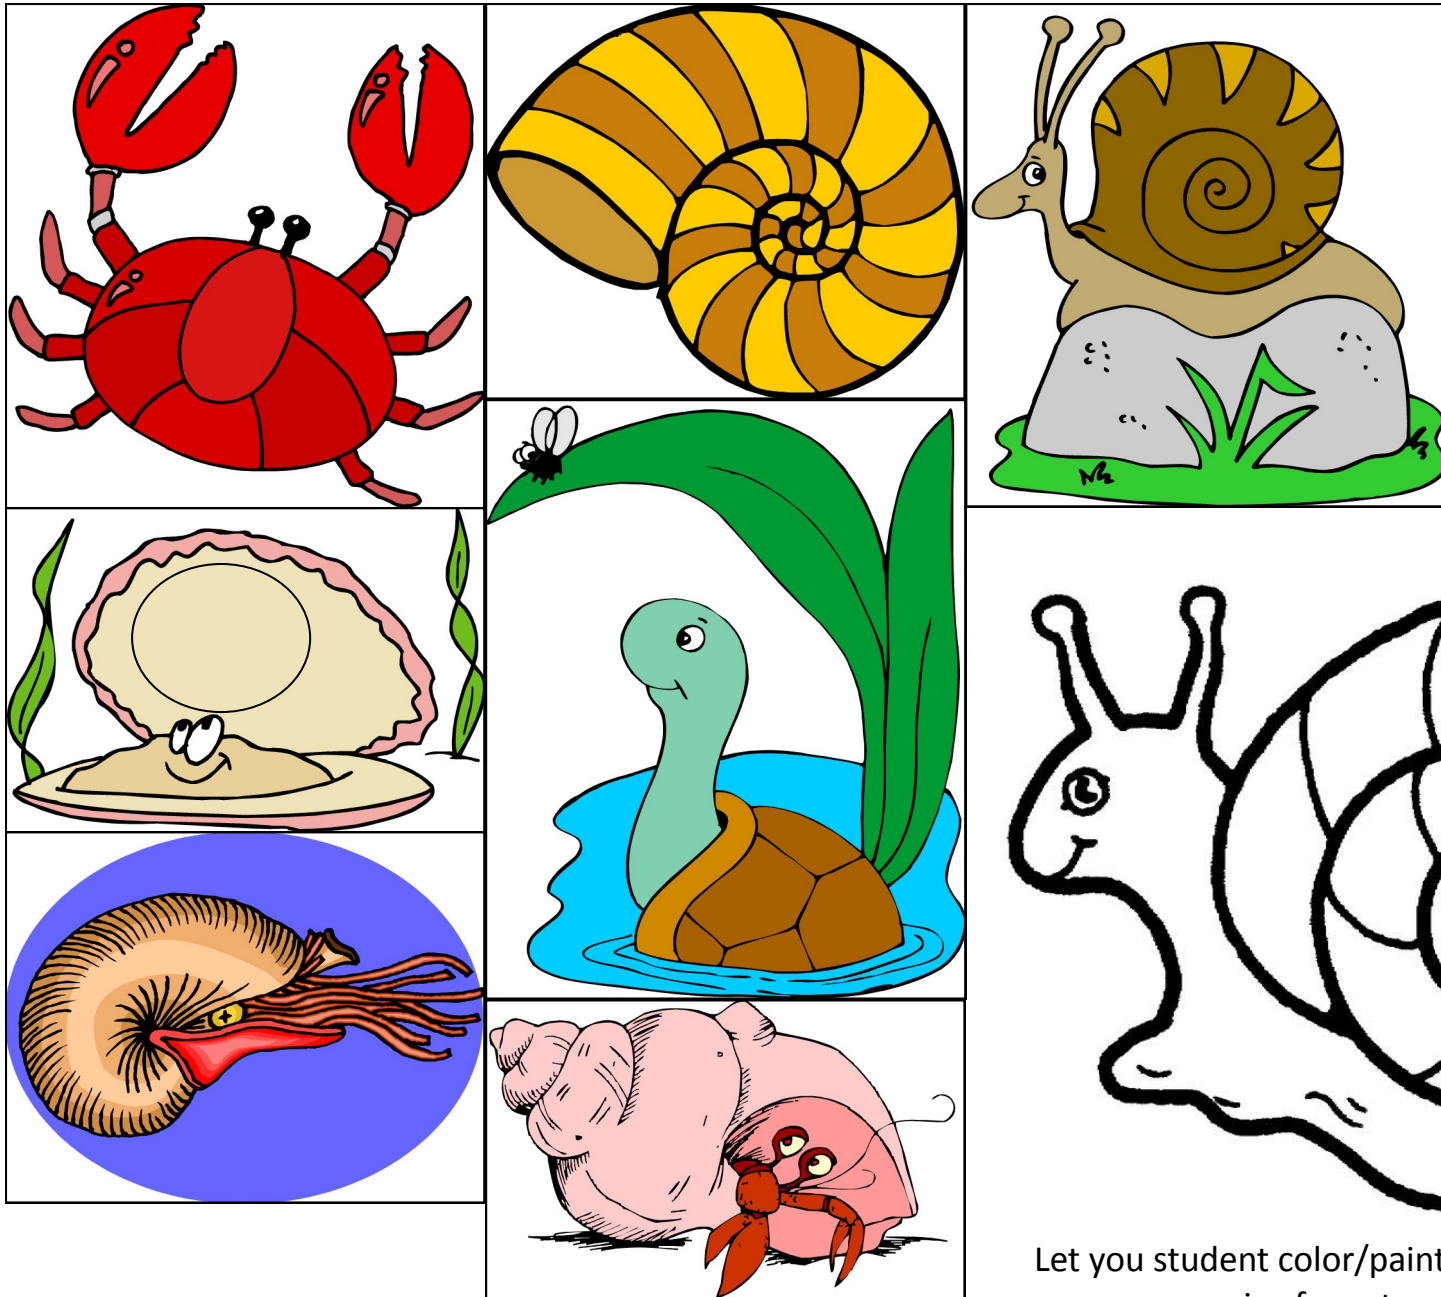

**hermit
crab**

crab

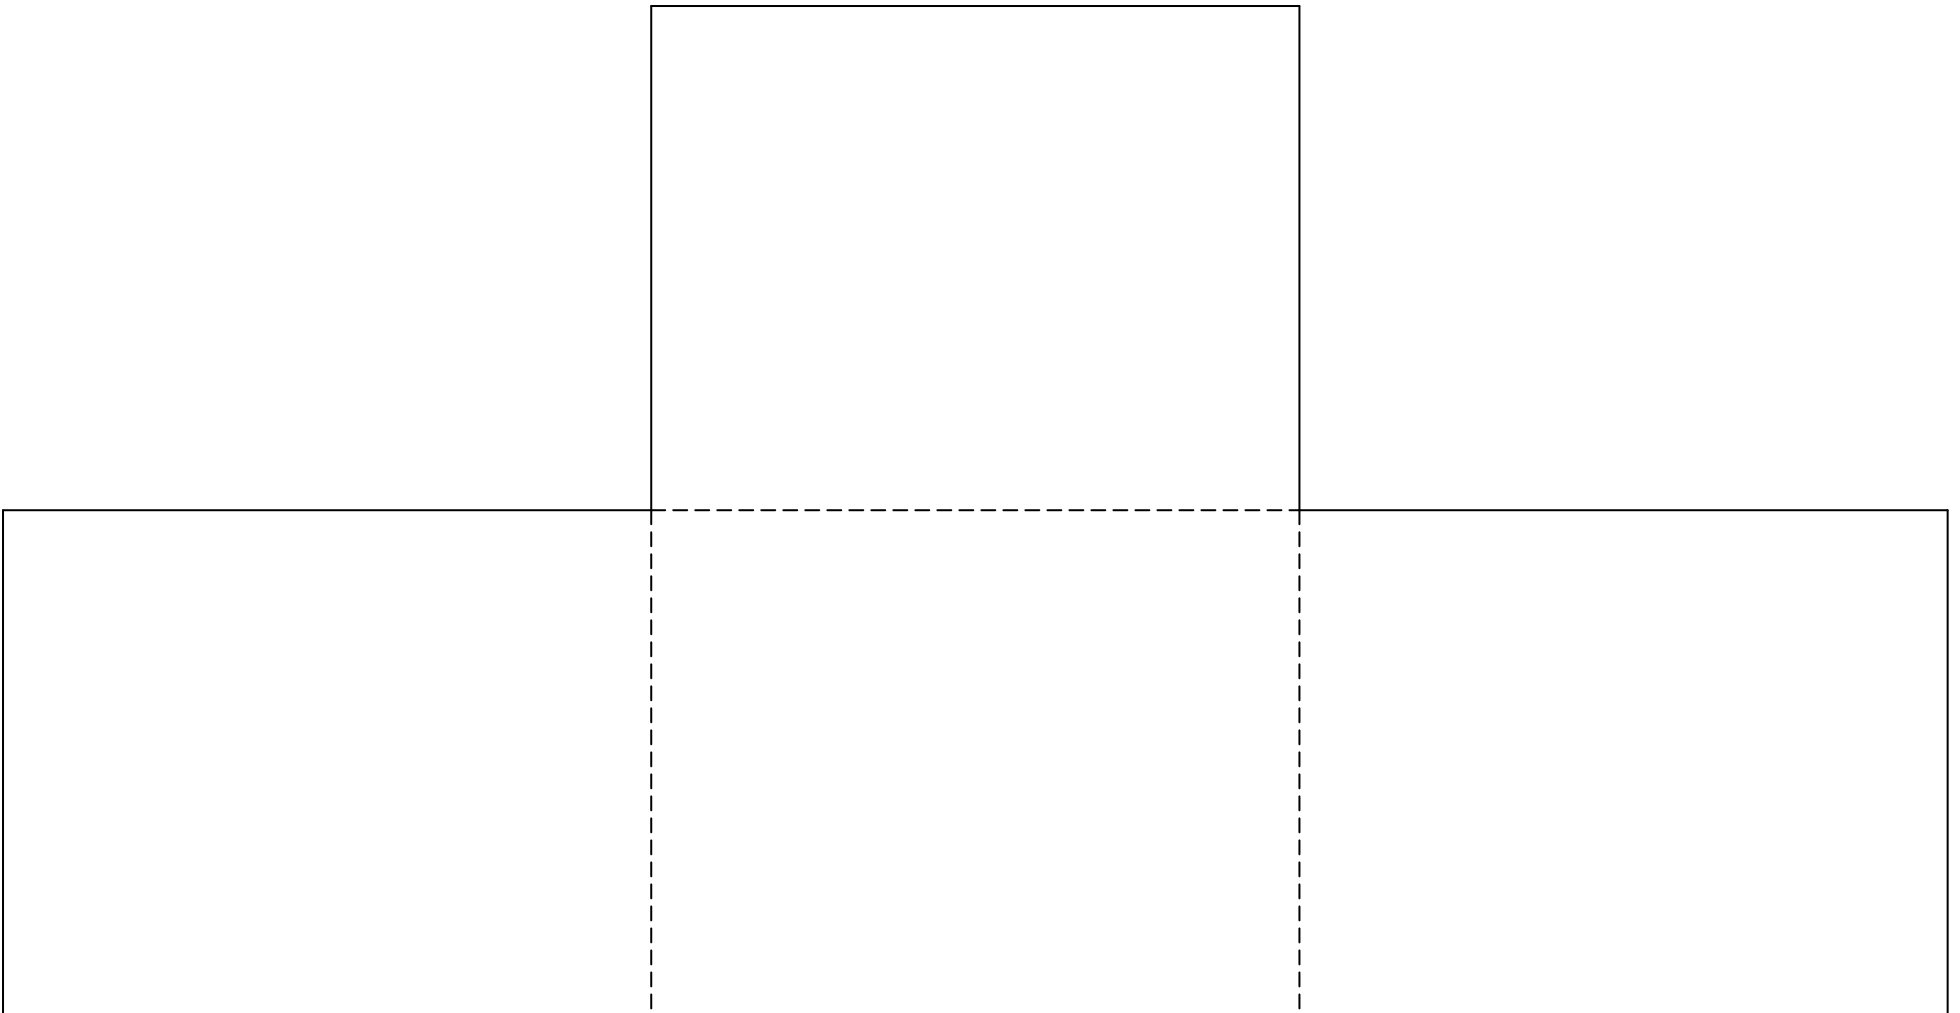

snail

turtle

Cover page image. ↓

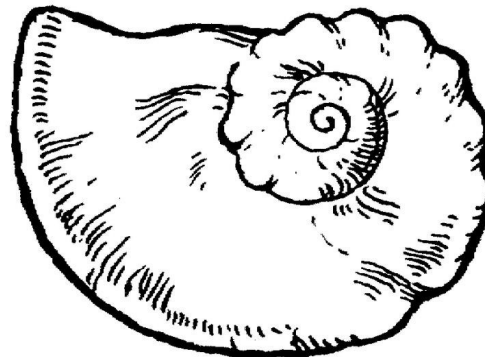

Let you student color/paint/marker the snail. Add gems or sequins for extra decorations, if desired.

Cut book out as one piece. Fold bottom up. Fold sides in. Fold cover down. Glue pictures of different shells inside the book.

Seashells

I used this minit book with the shells on page 75 of the Sunny Seashells Download N Go.

Cut on solid. Fold on dotted.

Use with the [Animal Homes](#) printable found at Kizclub.
