

# Dare to DRAW!

Come *sharpen* your skills in drawing!!! Each week will begin with a contour challenge of the student's choice. Using graphite, colored pencils, and pastels/crayons, projects will vary from snakes to sunflowers! The student will explore his/her expression of imagination with instruction and inspiration throughout. Make it a *point* this semester and Dare to Draw!

- Week 1** ~ Introduction to contour drawing (a blind drawing that increases hand-eye coordination and increases skill level)  
Introduction to line  
Project: A Unique Drawing Experience (a lesson in direction)

Project: One-Point Perspective Drawing
- Week 8** ~ Contour drawing  
Define Symmetry  
Project: Name Monsters/Wolf Face or Magazine Mirror
- Week 9** ~ Contour drawing  
Discuss Expressionism  
Project: Sunflowers

## Cost:

Depending on the number of students the fee would cover project paper.

## Supplies Needed:

Each student will need a nice set of drawing pencils, colored pencils (prismacolors are grand!), pastels/crayons (lots of colors), two black markers (fine and thick), a sketchbook and a folder to transport artwork and weekly work..
