

Pre-Writing Practice Pages (LARGE)

Directions

Print pages. If you do not wish to print them more than once, you can laminate them and allow your student to use a dry erase marker to complete the pages. Another option would be to stick them in a clear plastic frame and use a dry erase marker to write on them.

Make sure your student starts at the starting point (the smiley face). Once your student has completed the page, your student can color in the smiley face and the animal.
