

Cook with Books: The Three Little Pigs

by Carmen Fleck

Read several versions of *The Three Little Pigs*. Your students can complete a variety of activities. My children wrote their own play, created sets, planned a menu, and made invitations to a "Backyard Dinner Theater." They had a few rehearsals and created simple costumes before the big show.

Grandparents were invited, and it was a fun night! A highlight of the activities was making and sharing these Straw Stacks.

Straw Stack Treats

1 bag chow mien noodles
2 cups chocolate chips
2 cups butterscotch chips

Melt chips together. Pour melted chips over chow mien noodles. Use two spoons or a large cookie scoop to create straw stacks on waxed (or parchment) paper. Let set. Store in an airtight container.

Enjoy! Happy Reading!
