

BOB Book Printables

Set 1 Book 5

These were created to use with [BOB Books Set 1](#).

Pages 2-4– Book 5 Alphabet Coloring Pages

Tell your student what each item is and ask him to color (or circle) the items beginning with the designated sound. He can cross out the items that don't belong.

Page 5 – Book 5 Listen and Stick

Give your student some small stickers. Call out words, one at a time. As you call out a word, your student should find the appropriate column and place a sticker under the word. Continue until page is full (or student is bored with this activity).

Page 6 – Book 5 Tic-Tac-Toe

Find 5 markers for each player (suggestion: buttons for one player, paper-clips for the other). Teach your student how to play regular Tic-Tac-Toe (if he doesn't already know). Twist: When it's your turn, you must read the word on the square before you can place your marker in the square. First player with three in a row wins!

Page 7– Book 5 Words to Type

Print the page and let your student type the words right on the computer, using the word processing program of your choice. I know this activity isn't for all students, but my little guy LOVES it. He feels so big! Be sure and teach your child how to use the enter button (hit it after they finish a word). They will probably love typing and printing the word list.
