

BOB Book Printables

Set 2 Book 10

These were created to use with [BOB Books Set 2](#).

Pages 2-3 — Hen and Eggs

Page 4 — Dot the Words

Call out a word on the page. Let your student dot it with a [Do-a-Dot marker](#) or a Bingo marker (usually found at dollar stores).

Page 5 — Build the Words

Using Scrabble Tiles, [alphabet stamps](#), [magnetic alphabet tiles](#), or another manipulative of your choice, build the words!

Page 6 — Words to Type

Print the page and let your student type the words right on the computer, using the word processing program of your choice. I know this activity isn't for all students, but my little guy LOVES it. He feels so big! Be sure and teach your child how to use the enter button (hit it after they finish a word). They will probably love typing and printing the word list.
