Page 4 — Was Maze

Page 6 — Roll and Read

Page 7— Words to Type

Print the page and let your student type the words right on the computer, using the word processing program of your choice. I know this activity isn't for all students, but my little guy LOVES it. He feels so big! Be sure and teach your child how to use the enter button (hit it after they finish a word). They will probably love typing and printing the word list.

Give the Bus Driver a Ticket

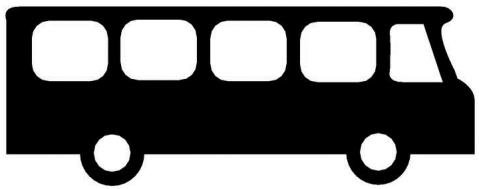

Set 2 Book 9

Cut a slit in the window. Cut apart the word cards on the next page. If your student wants to ride the bus she will need to read the word to give the bus driver the ticket! Before your student give the driver her ticket, she can use a hole punch to punch it on the end. Each ticket can be used four times. For extra fun (and durability), you could paste the bus driver to the front of an old cereal box.
