

BOB Book Printables

Set 1 Book 12

These were created to use with [BOB Books Set 1](#).

Pages 2-4 – Book 12 Alphabet Coloring Page

Tell your student what each item is and ask him to color (or circle) the items beginning with the designated sound. He can cross out the items that don't belong.

Page 5 – Book 12 Build the Words

Using Scrabble Tiles, [alphabet stamps](#), [magnetic alphabet tiles](#), or another manipulative of your choice, build the words!

Page 6 – Book 12 Words to Type

Print the page and let your student type the words right on the computer, using the word processing program of your choice. I know this activity isn't for all students, but my little guy LOVES it. He feels so big! Be sure and teach your child how to use the enter button (hit it after they finish a word). They will probably love typing and printing the word list.
