

# What's for Breakfast Show and Tell

Choose a breakfast dish to cook at home. It needs to be something we haven't made in class. You can make muffins, but not the Sugar & Spice muffins.

Come to class on Monday, April 16th prepared to explain how you prepared your dish. If you used any specialty tools or special equipment to create your food, bring it in and explain how you used it.

## Please Note:

You will have 5-10 minutes to talk.

You will need to bring a sample for each class member.

You will need to bring copies of the recipe (one for each class member).

Moms, don't worry about plates/utensils. I will provide those.
