

Creative Writing Week Two

Day One

1. Copy one quote into your copywork notebook.
2. Finish writing the "Where Am I?" exercise from class. Remember to include some sensory details. Try not to use TOO many (remember the pizza with too many toppings!).

Day Two

1. Copy one quote into the copywork section of your notebook
2. Read a chapter in your current reader (or start a new book). Make a sensory detail chart and fill it in as you read.

Day Three

1. Copy one quote into the copywork section of your notebook
2. Choose an object in nature (or a room in your house) and create a sensory details chart for that object.
3. After you finish the chart, write a poem about your object or about one of the objects (cotton, Hershey kiss, jingle bell) we wrote about in class.

	Hershey Kiss	Cotton BALL	Jingle BELL
