Discuss synonyms with your student. Give him plenty of examples.

Underline the words you want him to change. Give him a thesaurus (or use one online) and tell him to swap out words. Once he's determined all his new words, have him write the new nursery rhyme on page 5.

The itsy bitsy spider went up the water spout.

Down came the rain, and washed the spider out.

Out came the sun, and dried up all the rain,

and the itsy bitsy spider went up the spout again.
