

Alphabet tic-tac-toe

This is Tic-Tac-Toe with a twist! Print and laminate tic-tac-toe boards. Find five markers for each player (suggestion: buttons for one player, paperclips for the other). Teach your student how to play regular Tic-Tac-Toe (if he doesn't already know).

This is the twist:

If you want to play on a certain spot, you have to think of a word that starts with that letter. Once you think of a word, say it, and put your marker on that spot. The first player with three markers in a row, wins the game.
